ROYAL INFIRMARY

73RD ANNUAL REPORT
YEAR 1942

WILL those who receive a copy of this book and have no further use for it kindly pass it on to a friend with a view to increasing interest in the work of the Infirmary?

THERE are a large number of residents who might help the Infirmary if they knew of the vast amount of work that is done there to relieve pain and suffering.

REPORT
OF THE
BOARD OF MANAGEMENT
for the Year 1942.

The Board of Management has pleasure in submitting its Report for the year 1942.

The Year's Work.

Notwithstanding another year of world war, the record of the past year has been one of satisfactory work and progress. The volume and standard of the Medical and Surgical work have been maintained at a high level, the services have not been curtailed in any particular, and a record number of patients has been treated.

An important forward step has been taken in the segregation of orthopaedic and fracture cases, as a preliminary to the higher degree of specialisation which it is hoped to introduce as soon as the termination of war conditions allows, and an effort is also being made to establish at the Infirmary a centre for the rehabilitation of injured civilians and ex-service men, as well as an Orthoptic section of the Ophthalmic Department.

A gastroscope and a new anaesthetic machine have been added to the surgical equipment, and a new X-ray therapeutic set ordered.

The aggregate number of patients treated was 45,018 (an increase of 1.7 per cent.), the daily average number being 1,166 (351 in-patients and 815 out-patients).

	1942	1941
Number of In-Patients	7,441	6,945
Out-Patients	37,577	37,296
Attendances by Out-Patients	255,326	237,013
In-Patients transferred to Lostock Hall Auxiliary Hospital for Women and Children	769	705
In-Patients transferred to "The Willows" Auxiliary Hospital for Men	488	524

No less than 14,095 persons were treated as the result of accidents and as emergency cases, of whom 2,649 were in-patients.

War Service.

As well as providing hospital treatment for thousands of war workers, the Infirmary, as a unit of the Government's Emergency Hospital Service, rendered service during the year to a large number of members of the Armed and Civil Defence Forces.

The Pathological Laboratory has been appointed an Area Laboratory under the Emergency Pathological Services Scheme, and it has been arranged that teams of surgeons and nurses from the Infirmary will render aid to hospitals in neighbouring towns in case of enemy action not seriously affecting the Preston district.

Air raid precautions and the emergency organisation for dealing with air raid casualties or other emergencies have been constantly reviewed and considerably developed during the year, particularly in regard to fire fighting and emergency water supplies. The iron boundary railings of the Infirmary were removed to provide munitions of war.

Medical and Surgical Staff.

Dr. R. P. A. Rigg joined the R.A.M.C., and is serving overseas as a Medical Consultant. Dr. William Simpson, R.A.M.C., the Consultant Obstetrical Surgeon (on Service) has been promoted A.D.M.S., Caribbean Area, with the rank of Lieut.-Colonel.

Mr. J. Eastwood Sykes, F.R.C.S., was appointed Medical Officer to the Venereal Diseases Treatment Centre, and Mr. G. E. Delory, M.Sc. (London), of the Post-Graduate Medical School, London, Biochemist.

Certain of the Resident Medical posts have been recognised as approved post-graduate experience in connection with post-graduate examinations—M.D. (London), D.O.M.S. and D.L.O.

Nurses' Training School.

The Annual Distribution of Training School Medals and Prizes took place on the 31st May, when awards were presented to the successful nurses by Miss Mary Jones, O.B.E., M.A., R.R.C., S.R.N., President of the Royal College of Nurses.

The excellent results obtained by the nurses in the examinations of the General Nursing Council and the Central Midwives Board, and the large number of candidates wishing to enter the Training School, have been extremely gratifying to the Board. The reputation of the Hospital has undoubtedly been maintained at a high level.

Since the end of the year under review, the Board have adopted the recommendations of the Rushcliffe Committee's Report, which have materially improved the remuneration and conditions of service of the nursing staff, including the midwives. The Government have promised to re-imburse to hospitals one-half of the cost of carrying out the recommendations.

Miss I. M. Beech was appointed Sister-in-Charge of the Maternity Hospital in succession to Miss H. E. King, who left to be married, and whose twenty years' service to the Hospital was suitably acknowledged.

Finance.

The audited accounts for the year on pages 16 to 33 show that the ordinary expenditure was heavier by £1,283 19s. 3d. than that of the previous year, owing to the increased cost of salaries and wages. A most pleasing feature of the year's work has been the generous way in which the general public have responded to the financial needs of the Institution, thus enabling the Board to present a satisfactory state of affairs.

The year commenced with a deficit of £135 19s. 5d.; the total income received was £104,821 15s. 8d., and the total expenditure was £104,287 17s. 3d.; the latter included £31,268 18s. 9d., amongst other things, for extraordinary

expenditure, in respect of air raid precautions, and the usual war-time provision for replacement of worn-out equipment and dilapidations. The net result is that the deficit was turned into a credit balance of £397 19s. 0d.

The average costs per patient are as follows :

		Royal Infirmary			The Willows Hospital for Men			Lostock Hall Hospital Women and Children		
		£	s.	d.	£	s.	d.	£	s.	d.
Annual Cost per In-Patient	...	202	11	8	115	4	5	92	7	3
Weekly Cost per In-Patient	...	3	17	11	2	4	4	1	15	6
Individual Cost per In-Patient	...	7	3	6	4	19	0	4	0	10
Cost of each Out-Patient	0	7	6	—			—		

Capital.

On Capital Account the total sum of £4,603 8s. 5d. was received and credited to the appropriate Endowment and General Purposes fund as follows :

ENDOWMENT OF BEDS.

	£	s.	d.	£	s.	d.

				2103	8	5
				£4603	8	5

For the endowment of a Bed in perpetuity the sum of £1,000 is required, and for a Cot £500 (in each case free of legacy duty).

Workpeople's Contributory Fund.

The record sum of £51,335 12s. 10d. was received from the Contributory Fund, an increase of £4,985 17s. 4d. over the year preceding, and once again the Board expresses its grateful thanks to the Committee, Representatives and all who have helped to achieve this splendid result.

During the year the workers have generally increased the amount of their weekly contribution to fourpence a week, and the limit of income has been raised to £420 a year to embrace all persons now covered by the National Health Insurance Acts.

Thanks to Subscribers and Friends.

Gratitude is also extended to Subscribers, Donors and Friends, including all those firms, societies and individuals who have so generously assisted with the subscriptions, donations, grants, efforts, gifts in kind, or by rendering service as blood-donors, or in so many different ways, and especially to the following : The clergy and members of Churches and Sunday Schools for a record Hospital Sunday collection of £1,807 3s. 9d. ; the Mayoress of Preston (Mrs. Howarth) who, with the assistance of a large band of workers in Preston and District, gathered in the record sum of £1,523 5s. 8d. as the result of the Alexandra Rose Day Effort ; the Ladies' Country Linen League, who collected £249 1s. 2d. for the provision of bed and other linen for use in the Infirmary ; the members of the Men's Voluntary Emergency Service, who have stood by during long nights to protect the patients in case of enemy action ; also the Women's Service and the Weekly Sewing Party, who have rendered most valued assistance in the domestic field. The Board were pleased to acknowledge the services of Mr. and Mrs. Frank Brandwood, who have, during the war period, led the members of the Voluntary Emergency Service.

Blood Donors.

The Blood Transfusion Service has been extremely active during the year ; the Blood Bank collected from a large number of self-sacrificing donors, whose service is gratefully acknowledged, a large quantity of blood, which was converted by the Pathological Laboratory staff into blood plasma, a considerable

quantity of which was sent to "blitzed" centres and to the overseas battle fronts to sustain sick and injured members of His Majesty's Forces, the remainder being used with great benefit to patients in the Infirmary and other local Emergency Hospitals.

As blood donors are very much needed to replace those who have gone on war service or left the district, an appeal is made for more volunteers in order to maintain this vital and increasing service.

Thanks to Staff.

This report would not be complete without an expression of the Board's appreciation of the work of the staffs of the Royal Infirmary and Lostock Hall and "The Willows" Hospitals: medical, nursing, administrative, works and domestic.

Co-operation with Local Authorities.

Several conferences have taken place during the year between the Board and the Preston Corporation Health and Hospital Committees, which have resulted in the continuance of the existing agreements for the Joint Maternity Services, the Pathological Services, and the use of the Sharoe Green Hospital by members (and dependants) of the Contributory Scheme. The Board express their thanks for the co-operation and assistance of the Corporation.

The Government's Comprehensive Health and Hospital Service.

Since the White Paper which is to contain the views of His Majesty's Government on the implementation of the Beveridge Report has not yet been published, it is not opportune for the Board to express any views thereon, except to welcome the recent statement by the Minister of Health that the voluntary hospitals will be needed to play a vital part, in co-operation with the local authorities, in a re-organised and comprehensive health and hospital service; so that friends and supporters need not, it is expected, have any anxiety as to the future of the Infirmary, which, with its splendid facilities, will be needed to play a leading part in any improved health and hospital service.

North-Western Hospital Survey.

In this connection, a Hospital Services Planning Committee formed for Lancashire, and consisting of representatives of local

authorities, universities and voluntary hospitals, asked the Ministry of Health to make a factual survey of the hospital services of the County. The Ministry acceded to this request, extending the area to include North Wales, Cheshire, Westmorland and Cumberland, and appointing as Surveying Officers Mr. Rock Carling, F.R.C.S., and Dr. T. S. McIntosh, who have been actively engaged in making the survey for some months, during which they have visited the Infirmary on several occasions and had discussions with the officers. Similar surveys have also been arranged by the Minister so that a complete survey of the hospital services of the country is now being made.

Conclusion.

The type of administration in which voluntary hospitals will be asked to share is not yet decided, but whatever developments may emerge, the Board are convinced that the Infirmary will be expected to play a vital part, and on that account, appeals to the people of Preston and district to continue the same generous measure of support that they have accorded to the Infirmary in the past.

On behalf of the Board of Management,

WILLIAM ASCROFT,

Chairman.

THE MEDICAL REPORT.

To the Board of Management of the Preston and County of Lancaster Queen Victoria Royal Infirmary.

GENTLEMEN,

I have pleasure in submitting to you the Medical Report for the year ending 31st December, 1942.

IMPORTANT.

At the present rate of Income Tax a Subscriber who is paying tax at the 10/- rate can double his subscription without further cost to himself!

HOW?

BY COMPLETING THE FORM ON THE BACK OF THIS PAGE A SUBSCRIPTION OF

£1	1	0	will then yield to the Infirmary	£2	2	0

assuming Income Tax is at 10/- in the £.

The completion of the Covenant and the signing of a Certificate of deduction of Income Tax (which will be forwarded each year) will enable the Infirmary to claim repayment of Tax on the gross amount of the subscription.

If a subscriber is also liable to pay Sur-tax he is entitled to deduct the gross subscription as a "charge on income," thus obtaining further relief from taxation himself as a result of this arrangement.

In case of death of a subscriber within the seven years the agreement becomes void and does not create any charge on his estate.

The Secretary will be glad to furnish any further particulars desired upon hearing from you.

Form of Agreement to contribute to the Royal Infirmary, Preston.

I

of.....

hereby covenant with the PRESTON AND COUNTY OF
LANCASTER QUEEN VICTORIA ROYAL INFIRMARY that
for a period of seven years from the date hereof or
during my lifetime (whichever period shall be the
shorter) I will pay annually to the said Infirmary such
sum as will, after the deduction of Income Tax, leave
to the Infirmary a net sum of £.....,
such sum to be paid out of my general fund of taxed
income, so that I shall receive no personal or private
benefit in any of the said years from the said sum
or any part thereof.

In witness whereof I have hereunto set my hand and

seal this..... day of 194.....

Sixtieth Annual Report

OF THE

Workpeople's Infirmary Fund.

The Committee of Representatives of the Workpeople's Infirmary Fund beg to submit their Report for the year ending the 31st December, 1942.

The Statements of Contributions and Accounts following this Report cover the period of one year to the 30th September, 1942. The Collections from the Mills, Workshops and Business Houses of Preston totalled £28,176 6s. 7d., and from the County Districts £21,584 1s. 3d. The London, Midland and Scottish Railway Servants' Hospital Fund forwarded £1,720 in respect of treatment rendered to their members, and Bank Interest added 12s. 10d., making the total sum £51,481 0s. 8d. To bring these accounts into line with those of the Board of Management (whose financial year ended on the 31st December, 1942) the usual adjustment shown on the statement has been made. The grand total for the year ending the 31st December, 1942, is, therefore, £54,503 16s. 7d. After payment of the cost of treatment rendered to members and dependents at other hospitals (£2,725 3s. 9d.) and also the administrative expenses £913 14s. 0d.—1.68 per cent.), the balance paid over to the Board of Management towards the maintenance of the Infirmary and its Auxiliary Hospitals was £50,864 18s. 10d., compared with £46,349 15s. 6d. in the previous year, or an increase of £4,515 3s. 4d.

Two important happenings have taken place during the year. Firstly : the extension of the income limits of the scheme to allow any person now covered by the recent National Insurance Act to become a member of the scheme, thus granting a much valued concession to many salaried workers previously excluded by the previous lower income limit ; and secondly : the raising of the weekly contribution from members (excluding Old Age Pensioners) to cover the increased wartime costs of treatment, from threepence to fourpence, and in accordance with the recommendations of the First Interim Report of the Contributory Schemes Association and the British Hospitals Association.

The new rate of contribution was introduced on the first of July and met with considerable support by the workers in con-

tributing establishments and by individual members. At the date of this report it can be said that the greater part of the contributors are now making the fourpenny weekly payment.

As a considerable number of part-time workers are now being directed into industry, it is hoped that they will be joined at their places of employment into this weekly contribution scheme.

Whilst the splendid record of the past year is due very largely to the generosity of the contributors in increasing their payments, a higher amount can be confidently anticipated at the end of the year 1943, when the full effect of the increased rate is expected to materialise.

It was a matter of deep satisfaction to the Committee in considering and agreeing to the findings of the beforementioned First Interim Report (recommended for adoption by Voluntary Hospitals and Contributory Schemes as a means of bringing about up-to-date and unified methods of working) to find that most of the recommendations were already in operation so far as this Infirmary was concerned, and thus confirming the prevailing general impression that the policy of the Board of Management had kept the Hospital in the van of progress. With a view to co-ordinating and unifying Contributory Scheme arrangements, a Committee has been formed for the North-West Area (Chorley to Carlisle, including East Lancashire) and of which Mr. A. E. Ford, J.P. (Chairman of this Fund) has been appointed Chairman.

The Committee regret to record the death in March, 1942, of Mr. K. M. Duncan, F.R.C.S., Senior Surgeon of the Infirmary, who for thirty years had rendered splendid service to the workers of the district, by whom he was held in the highest esteem. Mr. Duncan's generous qualities were referred to at the last Annual Meeting.

The following changes in the Executive Committee have taken place during the year :

Mr. P. Baldwin (Distributive Workers) took the place of Mr. J. Nicholls, who is on Military Service.

Mr. H. Eccleston (Leyland Motors, Ltd.), vice Mr. W. Molloy.

Mr. R. Walkden (Leyland & Birmingham Rubber Co., Ltd.) vice Mr. J. Hough.

Messrs. G. I. Gibbons (Courtauld & Sons, Ltd.) and F. Simpson (Goss Printing Press Co., Ltd.) were added to the Committee.

Mr. H. G. Bygrave (Agricultural Workers) resigned owing to ill health.

The Committee were pleased recently to extend their hearty congratulations to Sir William Ascroft, M.A., D.L., J.P. (Chairman of the Board of Management) upon his appointment by His Majesty the King, as High Sheriff of Lancashire. Sir William, for the seventh successive year, addressed those present at the last Annual Meeting, held on the 25th March, 1942, on "Administrative Aspects of the Infirmary's Work," and Mr. Arthur Toulmin, F.R.C.S.E., on the "Progress made in the Medical and Surgical Work at the Infirmary during the past Thirty Years."

Notwithstanding the wartime difficulties with which the Infirmary and its Auxiliary Hospitals and their staffs had to contend during the year, a record number of patients (of whom two-thirds were members of the scheme) have been treated. The total number was 45,018 (an increase of 777), 7,441 being Inpatients and 37,577 Outpatients, or an average of 1,166 per day. All the calls made in connection with the war effort, involving the treatment of a considerable number of members of the Fighting and Civil Defence Forces, have been met.

The Workpeople's Representatives on the Board of Management have reported on their frequent visits to the Infirmary and the Convalescent Hospitals that the patients have generally been well satisfied with the treatment they have received, and the Committee have not been called upon to consider a single complaint. The Representatives have also taken a keen interest in the working of the Hospitals and generally have been regular in their attendance at the various meetings of the Board of Management. They are satisfied that the administration has been efficiently and economically conducted. The services they have so willingly rendered are heartily appreciated. It has been noted with pleasure that the Board of Management have recently opened Orthopaedic Wards for the segregation of fracture cases, which should lead to even better treatment and have also expressed their intention of instituting, as soon as possible, a Rehabilitation Service which should have the effect of returning workers to employment more quickly.

Sincere thanks are tendered to the Medical, Surgical and Nursing Staffs for the skilled attention and devotion extended to the patients.

The Committee are most grateful for the splendid support given to the Fund during the past year, and extend their most

cordial thanks to the contributors, the wages staffs in the various mills, workshops and business houses, local committees and collectors who have worked so hard in gathering in subscriptions and, indeed, to all who have helped to bring about the satisfactory result of the past year, including the staff of the Preston Savings Banks for receiving collections. The services rendered by friends who have organised social events in support of the Infirmary's work are also gratefully acknowledged.

In recent months a report by Sir William Beveridge upon National Social Security has been published and is now being considered by His Majesty's Government, in connection with the establishment of a Post-war National Comprehensive Health and Hospital Service. The Minister of Health has stated that the Voluntary Hospitals will be called upon to take part in this Service on the basis of a partnership with major Local Authorities, and negotiations are now in progress. It is understood that the Voluntary Hospitals generally are prepared to give every assistance so long as the suggested partnership is a proper one.

The new arrangements will no doubt herald a number of changes, which may to some extent affect the present functions of Hospital Contributory Schemes. In recent years these schemes have become exceedingly popular and have grown so rapidly that a large majority of the employed population have voluntarily become members of the scheme, whilst the benefits are being constantly expanded to meet the advancement in medical and surgical science. The institution of Contributory Schemes has led to a tremendous amount of interest being taken in, and the assumption of a considerable responsibility for, the work of the voluntary hospitals, on the part of the employed classes so that it can be quite definitely stated that these hospitals are being administered on a real democratic basis. In the case of our own Contributory Scheme, there are approximately 80,000 interested persons contributing voluntarily on a regular basis, and their representatives on the Board of Management have a very definite say in the administration of the Hospital.

Leading medical and lay authorities are urging that whatever changes may take place, the contributory schemes should be maintained at their full strength, for any social security sickness benefit which may come in the future under the Beveridge plan, it is important to realise, will be only on a minimum subsistence

scale, and though all will have alike the best treatment in essentials, the contributory schemes will be needed for the provision of added facilities and amenities in hospital, which people provide for themselves in their own homes. Sir William Beveridge's Scheme encourages to the maximum, voluntary insurance as the foundation of the social security plan.

In all probability, before the next report is issued, decisions on these most important matters will have been made.

In the meantime, we ask all our contributors to give their fullest support towards the maintenance of the Infirmary and its Auxiliaries in the highest possible state of efficiency, bearing in mind that the high wartime costs of services and commodities bear an increasingly heavy load upon such a voluntary institution.

On behalf of the Council,

A. E. FORD,

Chairman.

In order to avoid a fruitless journey, patients residing at a distance are particularly asked to send to the Superintendent, prior to attendance, statements by medical men as to the nature and urgency of their cases.

VISITING DAYS.—In-Patients are allowed to have visitors on Wednesdays from 2 to 3-30 p.m. and Saturdays from 2 to 4 p.m., but not more than two at a time. Two Visiting Tickets are issued from the Almoner's Office in the case of patients in the Adult Wards. These tickets must be produced. There is no general visiting of Child patients. Special visits may be arranged with the Sister of the Children's Ward. Relatives who cannot attend at these times may obtain from the Almoner's Office special permits to visit on Wednesday evening between 6-30 and 7. Special arrangements will be made for the visitation of patients on the Danger List on application to the Ward Sister or the Superintendent. MATERNITY HOSPITAL—Wednesdays and Saturdays, 3 to 4 p.m. ; Husbands each evening.

MATERNITY HOSPITAL.—Wednesdays and Saturdays, 3 to 4 p.m.
(Husbands each evening).

HOME PATIENTS.—Recommendations for Medical Relief for persons who are unable to attend at the Hospital must be left at the Dispensary not later than 10 a.m. (Sundays excepted) or they cannot be visited the same day.

Owing to the heavily increased cost of maintenance in war-time

**NEW AND INCREASED
Subscriptions and Donations
are Urgently Needed**

THE Secretary will deem it a favour if present Subscribers will help him by sending the names and addresses of others whom they think likely to be interested in the work of the Infirmary and to contribute to its Funds. He will also be pleased to supply Collecting Boxes, and to arrange for Subscribers, authorised representatives of Employees, and friends, to be conducted over the Hospital by appointment.

"I EXPECT to pass through this world but once; any good therefore, that I can do, or any kindness that I can show to any fellow creature, let me DO IT NOW. Let me not defer or neglect it, for I shall not pass this way again."

Stephen Grellett.
